Roller Blinds

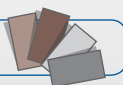

Classic style, and flexibility
made easy...

Manufactured in Australia using products from companies including Mermet, Uni-Line, Shaw, Wilson and Bricos, A.W.S. is able to offer roller blinds in a wide range of fabrics, designs and colours to suit any décor.

For quality, reliability and convenience, all A.W.S. roller blinds are manufactured using A.W.S. and Acmeda Mark II chain winders, with all manufacturing guaranteed for 12 months. They are also able to be motorised using A.W.S. tubular motors which can be used in conjunction with A.W.S. Saber Curtain Motors.

With over 150 years combined experience, A.W.S. (All Windows Solutions) is a specialist in commercial projects that is well equipped to supply orders from one blind to a commercial lot, and are more than capable to answer any questions you may have.
