

SABER

C U R T A I N M O T O R S

Creating interior lifestyles across Australia...

A.W.S Saber curtain motors are designed to meet all the requirements of modern living. It's sleek design is coupled with ease of use and state of the art functions including electronic limit settings, built in wireless receiver and the ability to connect to your home or office network.

Smart Electronic Limit

Automatically sets limits when resistance is met (i.e. fully closed or open).

Small... But powerful!

With a weight of only 1.1kg these tiny motors can operate up to 100kg load.

Innovative Touch Start

Pull the curtain in one direction to run it fully opened or closed.

5 Year Warranty

Easy living also brings peace of mind with an extended A.W.S 5 Year Warranty.

With whisper quiet operation, easy to use wireless radio controlled remotes and extensive testing which conforms to national and international standards, living has never been so easy
